Technical drawing of a filter assembly. The drawing includes a top view and a bottom view. The top view shows a rectangular frame with a central square opening. The dimensions of the opening are 82 (width) and 86 (height). The overall width of the frame is 186, and the overall height is 86. The distance from the bottom edge of the frame to the bottom edge of the opening is 53. The bottom view shows the frame with mounting tabs. The dimensions of the mounting tabs are 41 (width) and 186 (height). The overall width of the frame is 186, and the overall height is 201. The distance from the bottom edge of the frame to the bottom edge of the mounting tabs is 210,5. The drawing also includes a side view showing the frame with a central square opening. The dimensions of the opening are 82 (width) and 86 (height). The overall width of the frame is 186, and the overall height is 86. The distance from the bottom edge of the frame to the bottom edge of the opening is 53. The drawing also includes a detail view of the mounting tabs, showing a width of 41 and a height of 186. The overall width of the frame is 186, and the overall height is 201. The distance from the bottom edge of the frame to the bottom edge of the mounting tabs is 210,5.

Technical drawing of a filter assembly. The drawing includes three views: a top view, a bottom view, and a side view. The top view shows a rectangular frame with a central square opening. The opening has a width of 82 mm and a height of 86 mm. The frame has a total width of 186 mm and a total height of 86 mm. The bottom view shows the frame with mounting tabs. The tabs have a width of 41 mm and a height of 186 mm. The overall dimensions of the assembly are 201 mm in width and 210,5 mm in height. The side view shows the frame's profile, which is 186 mm wide and 86 mm high, with a 1 mm gap between the frame and the mounting surface.
